

Geography Vision Map

Year 1 – What's the weather?

Crucial Knowledge

- There are four seasons in a year. They are: Spring, Summer, Autumn, Winter.
- Many new plants start to grow in the Spring time.
- Summer is the hottest time of the year.
- Many leaves fall off trees in the Autumn.
- Winter is the coldest time of the year.
- A desert is an area of land with no plant life (sand or ice).
- Africa is always hot.
- Antarctica is the coldest place.

Intent

- Recap: Holidays (Reception)
- Facts about seasons
- Seasons: Spring and Summer
- Seasons: Autumn and Winter
- Places that are always warm (hot)
- Places that are always cold
- Deserts: hot and cold
