

## Geography Vision Map

### Year 3 – UK cities and counties

#### **Crucial Knowledge**

- Rural is the countryside (lots of farms and fields).
- Urban is a town or city (with lots of buildings).
- Land is used for different things.
- Landscape means how the land looks.
- The UK is divided into areas.
- A county is an area made up of towns and cities.
- We live in the county of Staffordshire.
- A city is a busy area with lots of buildings including homes. It is bigger than a town. Stoke-on-Trent is a city.
- Population means how many people live somewhere.

#### **Intent**

- Recap – Our town (Year 2)
- Rural and urban including comparisons
- Landscape and land use
- Counties of England
- Main cities and populations
- Regions and Districts
- Special parts of the UK
- Four-figure grid references

*Use of maps, keys and grid references throughout this area of learning.*
