

## History Vision Map

Year 3 – Ancient Egypt

7500 BC – 31 BC

### **Crucial Knowledge**

- Ancient Egypt was before Jesus was born.
- Ancient Egypt is different to how modern Egypt is today.
- Ancient Egypt was the most successful country in the world at this time.
- The Ancient Egyptians were successful because they used the River Nile to help their farming.
- There were rich and poor people during Ancient Egyptian times.
- The Egyptians built pyramids and used them as tombs (graves) for the Egyptian pharaohs (kings).
- The Egyptians mummified things as they believed in life after death and wanted to preserve (protect) the dead bodies.
- Mummified is when something is wrapped in cloth bandages.

### **Intent**

- Recap - The Lives of Significant People in Our Area: Clarice Cliff and Emma Bridgewater (Year 2)
- Show the Ancient Egyptian period using the history timeline
- An introduction to Ancient Egypt: details of who the Egyptians were and where in the world they were
