

History Vision Map

Year 1 – Changes in Living Memory: 1900 to now (toys, clothes and families)

Crucial Knowledge

- Toys:
 - Most children were poor 100 years ago and played with toys their parents made
 - Toys were first used for play but are now used for learning too.
- Clothes:
 - People didn't have lots of clothes 100 years ago
 - Fashion is when certain clothes are well liked
 - Fashion changes over time
- Families:
 - Men were the boss of the family 100 years ago
 - It was the lady's job to look after the children and clean the home
 - Now men and women can share the same jobs

Intent

- Recap: Me and my family (Reception)
- The meaning of living memory
- Toys: what they look like, what they are made from, how children played.
 - in the early 1900s
 - in the 1950s and 1960s
 - today
- Clothes: what they look like, differences, what they are made from, how/where they are made.
 - in the early 1900s
 - in the 1950s and 1960s
 - today
