## A message from Mrs Formosa

We have already arrived at half-term and we would like to thank you for all your attendance at parent's meetings over the last few weeks. I know the staff have really appreciated the opportunity to talk to you about your child's work and for you to see their current progress. School has been very busy and the children are a credit to you all: they are trying their hardest in all areas of learning. The children should be able to talk to you about their learning in the different subjects as we continue to focus on the crucial knowledge. The curriculum plans are on our website at [www.chestertonprimary.org.uk](http://www.chestertonprimary.org.uk) and these will continue to be updated in the months to come!

I wish you a wonderful half-term break and I believe the sun is set to shine!

Hello  
Sunshine!

### Other News

- Year Four and Five have now got their own i-pad allocated in school and, once we have set the systems up, they will start to bring them home as part of their home learning: we are proud of the way children are using them in school.
- Year Three are also allocated their own i-pad and they are learning how to set them up so they can begin to access some of the learning in a different way – they are very excited
- A new structure is being built on the nursery playground, with a soft play area, over the summer holidays: watch this space to see the next stage of transformation!
- Year Four are working hard on their times tables rockstars. <https://ttrockstars.com>  
This can be accessed following this link. Ask your child's class teacher if you would like your child to access this resource if they are struggling to get on at home. Year Three onwards all have log-ins and the children love using it!
- Some classes will be writing postcards for the elderly in the community for Aspire. This will continue the communication that started in lockdown. We have had some letters back and this provides a lovely opportunity for an inter-generational link.
- We are taking some of our learning outside as the weather gets better and Mrs Birks has been making tree spirits with Year Three. Pre-Nursery and Nursery have been around the field today exploring the wildlife areas.
