Spring Half-Term

A very early reminder that we break up for Spring half-term on Friday 18th February 2022. The children return on Tuesday 1st March following a staff training day. It is important that your child attends every day as we cover a lot of learning in every day.

Reminder from the Office

Please order your child's school dinners before 12am the day before to ensure your child gets the meal of their choice. If dinner is not ordered then the kitchen staff do not prepare enough meals and this is upsetting for your child. The menu is sent out on a Friday from the office with a text message. Thank you for supporting us in getting your orders completed as this is a system that works so much better for your children and the school.

Face Coverings and Covid Guidance

The guidance is changing again next Monday regarding isolation periods and PCR/LFTs. Our office staff are up-to-date with what is expected from schools and will support you as individual families and address your circumstances. Please speak to the office about your child's symptoms so we can ensure that the correct procedures are followed. We are following government guidance so please support us too!

Please can I encourage you to wear face coverings as an interim measure to ensure we continue with our low infection rates in and around school. A face covering will be requested when you enter the building unless you are medically exempt.

A message from the Headteacher

We are currently recruiting for a new teacher to join our staff team and I have been showing applicants around the school. I wanted to pass on their comments of praise about your children as they have been so impressed with their good manners, their eagerness to learn and their enthusiasm. We are all proud of the work they are completing and how hard they are trying across all areas of learning.

School Uniform

A reminder that uniform items are available if you need to replace or add to uniform: these are available in the entrance hall. We do have a stock of new badged items available in school and the price list is on parent pay. If you have any badged items that are no longer needed, please return them to the office to support other children. It is a massive help to other families and we are very short at the moment!
