A message from Mrs Formosa

We have had a busy week last week planting trees at the top end of Apedale as part of the Queen's Platinum Jubilee celebrations: the children planted 246 trees that will form an attractive hedgerow for wildlife and also improve the air quality for future generations. The Eco committee have also planted 30 trees at the high school to support science week. The children have been brilliant: their team work has been fantastic and their knowledge about the importance of the trees in helping the climate impressive – a big well done to you all!

School Uniform

Please can I remind you that it is **grey trousers**, shorts or skirts.

We do have some 'pre-loved' items in stock if you need them. No leggings please or trainers.

We would also request that your children do not wear jewellery to school for Health and Safety reasons and we can not take responsibility for lost items. A small pair of stud earring are allowed but need to be removed for PE or covered over with plasters if removal is not possible.

Other News

Fundraising

With the money raised from the film afternoon and the disco, we have bought a new table and pods for the children. Thanks to all of you for supporting these events. Any future fundraising will be spent directly on the children for additional resources in the classroom.

The nursery playground

Work has now been completed on the collapsed drains in the nursery playground. This area will now have some additional 'soft play tarmac' over Easter to extend the play area underneath the shelter.

Year Six

SATs week is week beginning 9th May and this is an important week for all Year Six children. Following this, they will be off on their residential camping trip to Willersley Hall, Derbyshire – I'm sure they will have lots of fun and adventures!

Parent's Drop In

The classrooms will be open Monday 4th April 2022 after school at 3pm – 4.15pm for you to drop in and see your child's books and view their progress and chat with the teacher if needed. If you can't make this time, please contact the teacher via dojo and we can make a different time. I'm sure your child will be proud to show you their work.

Changes to Staffing

We have two new members of staff starting September 2022. They are Mrs Rettinger and Miss Mandley. The teachers will be a welcome addition to our team and we are looking forward to their visits over the coming months as they begin to settle in to learn how our curriculum works.

We are also advertising for a Level 3 EYFS Teaching Assistant. The job is currently advertised on our website.

Holidays and Attendance

We would ask that you avoid holidays in term-time as children have missed so much education over the last years. If you have to request a holiday for special circumstances, please can you fill out a request form from the office. Please be honest with our staff about all attendance so we can support you.
