

PE and Sports Grant Action Fund 2025-26

Grant: £17,290

Total Number of Children on Roll: 149 (excluding 31 pre-nursery and nursery)

What is the Sports Premium?

The Government has provided funding of £150 million per annum since 2013 to 'provide new, substantial primary school sport funding'. The sport funding can only be spent on sport and PE provision in schools.

Sports Premium is focused on improving the quality and breadth of PE and sporting provision for all pupils. The proposal includes recommendations to further develop teacher training and continual professional development to make a sustained impact on the quality of physical education. A priority must be to develop the teaching skills of non-specialist teachers to create dynamic and enjoyable experiences for children.

The Governors agree that the money must be used so that: all children benefit regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; swimming is expanded in order to provide a comprehensive and high-quality service for more pupils.

The information below shows how we are spending the sports funding.

At Chesterton Primary School, we have spent the Sport Premium Grant on the following:

Breakdown of expenditure		
Initiative	Spend	Impact
CPDL	£2,546	Improve quality of provision

Extra-curricular activities	£1,890	Wider sporting opportunities across a range of events.
Resources and equipment	£5,854	Improved healthy and safe lifestyle choice.
Sports competitions including travel costs	£2,000	Improved opportunities for competitors across a range of venues and sports.
External coaching staff	£4,700	Extended sports provision. Increased pupil attendance and interest to sports clubs and events.
Membership	£300	Access to district sporting events. Improved self-esteem for children.

Swimming Statistics

	Year 6 Pupils
Swim at least 25 Metres	87%
Use a range of strokes effectively	67%
Perform safe self- rescue	87%

Physical Education

As a school we take great pride in the achievements during PE lessons and beyond the school day. Many of our children 'love' to express their talents and skills during PE and are always striving to achieve further.

Our Curriculum

Throughout the school academic year, all pupils will follow a broad Physical Education Curriculum and will cover a range of different sports and activities.

Our curriculum helps to build pupil confidence, teamwork and communication skills: 'achieving whilst having fun.'

At Chesterton Primary School we find having such a broad curriculum brings out many talents in individuals that they never thought they had.

Collective Vision Trust

Chesterton Primary School are part of a multi-academy trust who strongly support the staff, pupils and parents they provide for. The Trust also offers a strong support when it comes to Physical Education. As PE leads, we personally believe that 'sharing is caring' - we support each other to ensure quality physical education is being taught in every lesson. The Trust also provides extra space for PE lessons and supports Chesterton and the other schools with equipment. Chesterton and many other schools purchase swimming from the local high school.
